Durchführung: Institut für Pastination, Heldelberg

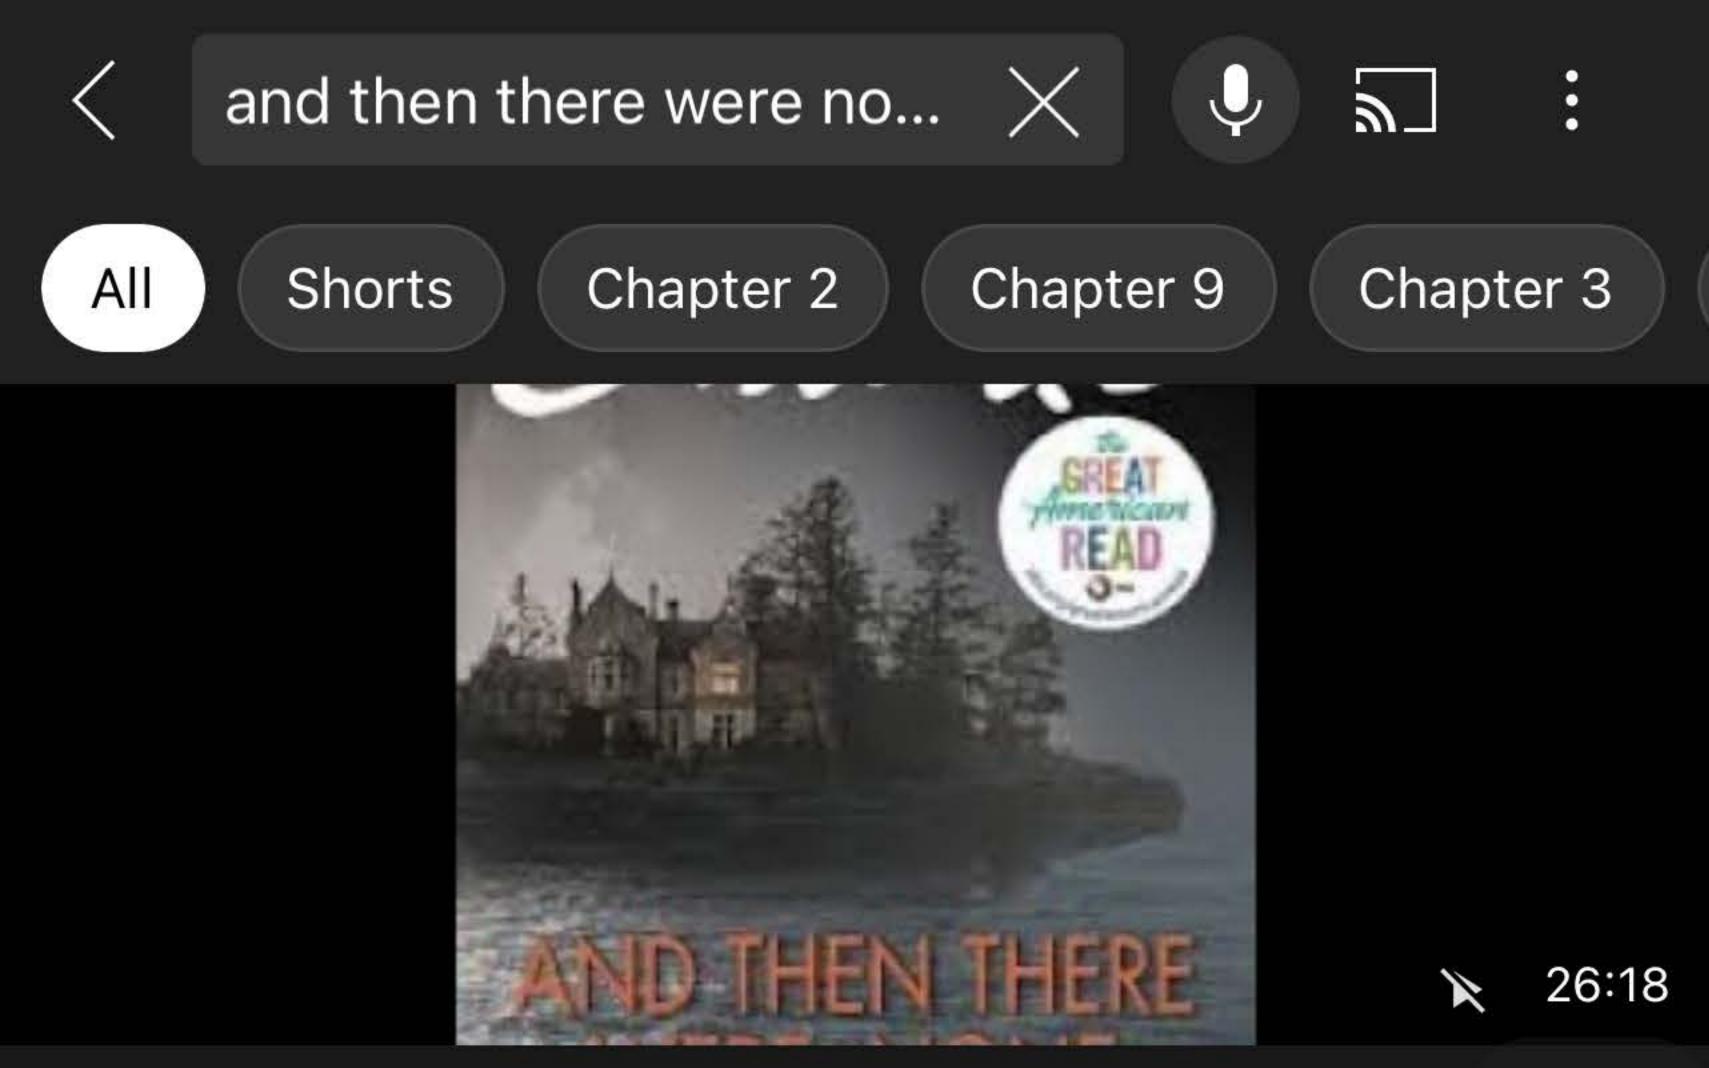

In der weltweit einzigen Ausstellung dieser Art werden einmalige anatomische Humanpräparate einer interessierten Öffentlichkeit zugänglich gemacht. Die Methode der Plastination ermöglicht eine vollständige Durchtränkung des anatomisch präparierten Körpers mit dauerhaft haltbaren Kunststoffen. Die auf diese Weise konservierten, völlig geruchlosen Präparate sind von hohem ästhetischen und didaktischen Anspruch. Sie ermöglichen dem Besucher ein vertiefendes Verständnis der inneren Struktur und Funktionsweise des eigenen Körpers.

Either follow the book

10 little niggers10 little indiansAnd then there were none

1Ten little nigger boys went out to dine; One choked his little self, and then there were nine.

2Nine little nigger boys sat up very late; One overslept himself, and then there were eight.

3Eight little nigger boys traveling in Devon; One said he'd stay there, and then there were seven.

4Seven little nigger boys chopping up sticks; One chopped himself in half, and then there were six.

5Six little nigger boys playing with a hive; A bumble-bee stung one, and then there were five.

6Five little nigger boys going in for law; One got in chancery, and then there were four.

7Four little nigger boys going out to sea; A red herring swallowed one, and then there were three.

8Three little nigger boys walking in the zoo; A big bear hugged one, and then there were two.

9Two little nigger boys sitting in the sun; One got frizzled up, and then there was one.

## 1burning

10 bodies burnt as the sun descended from the sky eyeone began to get fear in their eye

9 screaming bodies stopped singing wondering if they should have written

8 withered bodies welcomed the heat knowing that history would always repeat

7 little bodies got into bed only 6 woke up as the other was dead

6 bodies asked to be set free free of this body

but only one stands in front of me with a body they don't need

but how will people remember me?

5 empty bodies will remember your name but they wont need your body to keep you alive in their mind i don't want to leave this body...i cant be like you...i cant be formless.

I have shared this soul my entire life with all the bodies around me and now i finally have a body, a single one that i can say this is mine. i am in one place now...

4 other bodies will come for you leaving one bodie running from the few

let them come

i will be me

3 rumor bodies will give you away there will be no place safe to stay

i will see them sense them and when it comes time for me to move on

i shall make that move

don't take that chance away from me

2 little bodies will watch the me leave

and the body...was never seen again

1 lonely body left with the soul all the other lived inside them until they were old
